Kolar Deputy Commissioners Office

Dated 13th February 1899

Camp Motamakalapalli

To

The Secretary to the Government of Mysore Revenue and General Departments.

Sir,

I request that you will obtain early Sanction of Government for the handing over of the Sanitary Department of the Gold Fields to the Plague Department, as at present they are worked separately by two Separate officers, the Plague by the Assistant Superintendent of Police and the Sanitation by the Special Majistrate which is most unsatisfactory and which was observed by the Plague Commissioner during his recent visit to the Fields. As

the

the Assistant Superintendent of Police has been appointed Special Plague officer of the Fields with an Assistant Mr Sewell under him, I consider that he is in a better position to work the two Departments than the Special Magistrate who has quite enough to do in his Court and owing to this extra work imposed upon him, I attribute the filthy state of the surrounding villages.

As Government appointed the Special Magistrate Sanitary Officer sometime back, I am unable to alter the arrangement without this reference. Trusting that very early orders will be passed on this matter

I have the honor to be
Sir,
Your most obedient Servant

H H Sparke
Dt Commissioner
